

# EMMANUEL KIBET YEGON

Software Engineer

2030, 20200 - Kericho, Kenya | +254746274335 | emmanuelyegon513@gmail.com

## PROFESSIONAL SUMMARY

I am a passionate and results-driven Software Engineer with a strong foundation in computer science and hands-on experience in full-stack development. I excel at solving real-world challenges through coding, collaborating in remote and freelance projects, and delivering robust solutions for clients and organizations. My commitment to continuous learning and innovation drives me to stay updated with the latest technologies and contribute meaningfully to every team I join.

## EDUCATION

**B.Sc. : Computer Science, 2023 - Present**

University of Kabianga - Kericho, Kenya
